

VER VALLEY SOCIETY

To join, or renew, please complete the form on the right and return to the VVS membership secretary, & for SOs also complete the lower form and send direct to your bank.

Membership fees and volunteers' time allow the Society to campaign for the protection of the River Ver, mainly monitoring the levels and quality of water in the river and the state of the river environment. The Society launched a new series of waterside walks in 2011, details on request.

We have regular local meetings with a guest speaker. You can choose to receive our colour Ver Valley Newsletter, with bird and wildlife notes and other articles, by post or email.

See separate membership folder for our activities in more detail, or visit our website: riverver.co.uk

New members *always* very welcome!
